# **BABY CASHMERE**

J. Hilburn is proud to present the softest, most luxurious sweater you'll find ~  
pure Baby Cashmere from the mountainous regions of Inner Mongolia,  
which is renowned for its purity and luster.

Baby Cashmere is a rare and precious yarn, exclusively combed from the  
virgin underfleece of the baby Hyrcus goat ~ just once in its lifetime. Our  
Baby Cashmere sweaters are available in extremely limited quantities, as one  
Hyrcus kid yields just 30-40 grams of yarn. So fine are the yarns that it can  
take the underfleece of 20 kid goats to make just one sweater.

## J. HILBURN SIZING

Our J. Hilburn Sweater is tailored to reflect what the discerning Gentleman should expect when it comes to fit, finish & detail.

Sweater Size	Small	Medium	Large	X-Large	XX-Large
Chest Size	34" - 36"	38" - 40"	42" - 44"	46" - 48"	50" - 52"

## CARE & RETURNS

Our Luxury Blend consists of 70% cotton, 22% silk and 8% cashmere. To preserve your sweater's longevity and to keep it looking like new, gently hand wash in cold water with mild soap. Lie flat to dry and light steam if needed. For more stubborn stains, dry cleaning is recommended.

Cashmere sweaters may be dry cleaned or hand washed with a mild cleanser such as baby shampoo. For hand wash, it is recommended that you soak sweaters in lukewarm sudsy water for 5 minutes to let the suds soak through the woven fibers. Roll the sweater in a towel to remove the extra moisture and lay flat to dry. Your sweater will take the shape that it's put into when dried so this is an important part of its care. For tougher stains, dry cleaning is recommended.
