MEN'S CLOTHIER

Trouser Collection

WHY J. HILBURN TROUSERS

We have literally left nothing on the cutting room table in order to deliver the most beautiful fabrics, best fits & highest quality make that you can find in a men's trouser today. J. Hilburn starts by selecting only fine European fabrics that are world renowned for their luxurious hand & superior finish. We use patterns precisely developed by the experts in fit & detail. Our trousers are then skillfully sewn by exacting craftsmen utilizing their combined decades of experience.

J. Hilburn trousers are tailored to reflect what the discerning gentleman should expect when it comes to fit, finish & detail. At J. Hilburn we pride ourselves in producing luxury garments and want you to feel equally proud wearing them.

Classic Details

Our trousers are expertly sewn in Europe by true apparel artisans, for whom quality and precision is a living tradition.

Personalization

Personalize your trousers by choosing from our five unique fits, and exercise your options between plain-front or pleats, cuffed or uncuffed.

Choice

Choose from a selection of luxurious Italian wools and European cottons, woven from fine yarns and beautifully finished to give you the best hand and drape.

Superior Quality

The result is top-drawer quality trousers. Impeccably fitting and fully alterable, with fine details like a superior waistband construction, french fly, and exceptional trims.

J. HILBURN SPORT FIT

Just like your favorite jeans, our JH Sport Trouser Collection features a unique contoured waistband that sits comfortably on your hips. You'll feel the difference, as the waistband follows the natural shape of your waist for a fit that is young and sporty, yet still refined.

Because it sits on your hips like a jean, the front pockets will open slightly, which is inherent to its sporty fit and style.

STYLE GUIDE

At J. Hilburn, we believe in personalization and choice. A cuff length and style is a very personal decision and makes a statement about you, which is why our trousers come with an unfinished bottom ~ allowing your tailor to finish them to your preference.

TO CUFF OR NOT TO CUFF?

When it comes to cuffs, here are general guidelines. but like we say, ultimately you wear the pants. J. Hilburn will finish your trousers, cuffed or uncuffed, for a \$10 upcharge.

- A pair of pleated trousers with a cuff is the accepted, traditional look. A classic look.
- Flat front trousers with no cuff is also the accepted, traditional look. A classic look.

RETURN POLICY

J. Hilburn guarantees its merchandise and your satisfaction. Unwashed, unworn, unaltered or defective merchandise may be exchanged or returned within 60 days of purchase. Refunds will be issued by original payment method.

If ordering hemmed trousers for the first time, we recommend you order 1 pair first to ensure the length is to your liking.
